Main Text

1 Superman is great

I think that superman is great!!! Because he can fly and have super strength.

Theorem 1.1

Superman can fly

This theorem states that superman can fly, in mathematical way we can say:

$$F_G = 0 \text{ for super man} = 0 \quad M = 0 \quad (1)$$

This is an awesome theorem.

This is the moment!! YL: [hihih this is what I want to say!!]
